Diploma of Reflexology HLT51707

Full time 12 months or Part time 24 months

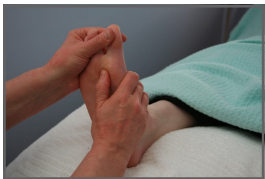

EastWest College retains its proud tradition of delivering training for the professional practice of Reflexology, Shiatsu, Oriental and Complimentary therapies in Australia since 1978.

What distinguishes EastWest's training, is the emphasis we place on the standards of delivery of practitioner-based skills. Students graduate with a high level of confidence in the competencies and the foundations for a successful professional career established during their training.

The Diploma of Reflexology HLT51707 is structured to provide the essential skills and knowledge of reflexology theory and clinical practice, via workplace training and assessment deliveries.

Students benefit from the rich diversity of national and international training backgrounds of the teachers and excellence of clinical experience from their own professional practices.

At EastWest College both national and international students thrive in a welcoming and stimulating environment that supports their personal development and sense of community.

Study at EastWest College provides powerful momentum for people seeking a change of career.

MAKE IT HAPPEN TODAY

Course Structure

The Diploma of Reflexology HLT51707, is both nationally recognised training, as well as an industry recognised qualification in Australia. Graduates are competent and confident to treat clients in private practice, the corporate arena, and aged care sector.

Units of competency are embedded in a variety of delivery formats, including direct hands-on training, supervised student clinics, workshops, unit handbooks, community events and open days.

Students develop the client-centered communication skills and professional practices needed to recommend lifestyle adjustments or refer to appropriate professionals, which effect long term changes in their clients' health and wellbeing.

All elements of the training are grounded in the meaningful framework of clinical practices that enable graduates to conduct a sustainable, successful and rewarding practice.

Training Plan and Course Fees

Details of the training schedule, including course fees are available on a separate document.

All handbooks and texts are included in the price.

Government Funding available to eligible students.

(This training is delivered with Victorian and Commonwealth Government funding).
